

Intern as a Content Creator at a Leading Digital Marketing Agency

We currently have an opening for a content creator. You will be working for a leading & growing digital marketing agency, based in Bangkok and servicing a local and international client base. You will be supporting our operations by creating content on a variety of subjects to be published online.

Job Duties Will Include:

- Creating engaging content, and articles on a variety of subjects to be published on a network of different websites
- Using in-house tools to publish and organise content
- Potentially using A.I tools to help scale some content requirements
- Formatting content for SEO or SMM
- Liaising with different members of the team to meet desired outcomes
- Meeting deadlines

Requirements:

- An interest or passion for marketing, writing & content creation
- A creative mind
- Able to create engaging and well-written content on a diverse range of topics
- Good Verbal and Written Communication Skills in English
- Competency using Microsoft Outlook and Microsoft Office
- Self-motivated, confident, and driven individual who is able to work in a dynamic environment, keen to develop their skillset and become a valued member of our team
- Able to multi-task, problem-solve, and work on own initiative
- Able to demonstrate examples of previous content creation work

Interested candidates, please send your English resume
